5 STEPS TO SAFETY

STEP 2:

Turn on Safe Searches Feature in your search engine. Google, Bing and YouTube have built in safety features that will prevent inappropriate sites and content from coming up when your child conducts a search.

STEP 3:

Check your computer for child safety features. Most computers already have filters built in.

5 STEPS TO SAFETY

STEP 4:

Install a filter. There are several free filters online. Here are just a few:

STEP 5:

We said it before and we will say it again... No amount of filters can substitute for **talking** to your child.

You cannot possibly be everywhere at once, so talk to them about issues they may face online.
